

Community Relations Committee

The **Community Relations Committee** is a group of volunteers – assistant prosecutors, secretaries, victim advocates, child support personnel – who coordinate office-wide charitable events and community outreach efforts. Look for these people in our community:

- Serving hot meals to the homeless;
- Adopting individuals and families for Christmas;
- Supporting efforts to raise money for victims of violent crimes;
- Collecting clothes and other items for the Battered Women's Shelter;
- Sponsoring food drives;
- And other activities to do our part to support Summit County citizens.
