PRESS RELEASE

Missing Woman Located

On March 12, 2018, at approximately 12:00 p.m., an off-duty Summit County Sheriff's Deputy observed a naked female on her hands and knees near Mayfair Road and Wise Road in the City of Green. The deputy attempted to help the woman and she subsequently ran into a wooded area. The off-duty Deputy contacted the Sheriff's Dispatch Center and several units responded to the area. When responding deputies could not locate her, an organized search was initiated. Summit County Deputies and Detectives, an Ohio Highway Patrol Trooper with a Summit County Detective in a plane, and a Stark County K-9 Deputy with a Copley K-9 Police Officer searched the east side of Green and west side of Lake Township. During the search, the woman's car was located parked in the middle of Mayfair Road. It was ascertained she was already reported missing from the Ellet area and she was in a mental crisis.

Within an hour, the 40 year old woman was spotted lying face down by the detective and trooper and ground units were directed to the location. She was located in a marshy area surrounded by trees approximately 200-300 yards from Heckman Road. Green Fire Medics responded and personnel carried her to a squad. She was transported to Akron General Medical Center for evaluation. Due to her condition, her name is not being released.
