## **PRESS RELEASE**

### **Two Found Dead in Coventry Township**

On June 6, 2020, the Summit County Sheriff's Office and the Coventry Township Fire Department responded to Coventry Township for a report of two deceased individuals found inside a residence.

A 25 year old male and a 32 year old female were found deceased in a bedroom by family members. There were no signs of trauma. The two individuals and a dog are believed to have died approximately 5 to 7 days prior to being discovered by family members. The home has been without power for several months.

The incident is under investigation by the Summit County Sheriff's Office.
