## **PRESS RELEASE Carnival with a Cop**

On July 27, 2017, officers from the University of Akron Police, Akron Police, Fairlawn Police, Summit County Sheriff and Summa Police will be taking 70 children from Summit County area schools to the Summit County Fair. This event is called Carnival with a Cop and is being sponsored by our Christmas with a Cop program. We are busing the children from the University of Akron to the fairgrounds in parade fashion with lights and sirens. We received personal donations and donations from Target, Perrin Asphalt, Staples, the Police and Fireman's Insurance Association, the Summit County Fair Board, and Children's Hospital. With these donations, we were able to pay for the children and their parents to attend the fair, purchase food and ride passes, and provide every child with a backpack containing school supplies. This is the first time for this event and we hope it will be a success for many years.
